Advanced Aerobic Systems  
3 visits per year - one every 4 months

This is to Certify that the above RESIDENTIAL sewage system has a RENEWED inspection agreement per The Texas Commission on Environmental Quality standards for on site sewerage facilities as required.

Inspection reports by Advanced Aerobic Systems will be filed with the authorized agency as required by the TCEQ regulations. A weather proof label will be attached to the controller showing the month that each inspection was made. Items included on the Inspection Report include aerators, filters, irrigation pump, air compressor, disinfection device, chlorine supply, OK System light, spray-field vegetation, probe, sprinkler and/or drip backflush. The air filter will be cleaned at each visit.

This service agreement does not cover the cost of service calls (other than the scheduled periodic inspections), labor or materials which are required due to misuse or abuse of the system failure to maintain electrical power or the system sewage flows exceeding the hydraulic and/or organic design capabilities; disposal of non-biodegradable materials, chemicals, solvents grease, oil, paint, etc.; or any usage contrary to the requirements listed in the owner's manual or as advised by the authorized service representative. Material and labor costs for the replacement of out of warranty components, laboratory test work, pumping of unit or pre-tank, provision of chlorine disinfectant tablets (if required, etc. will be done only upon authority of the owner and at the additional charge.

The homeowner is responsible for maintaining the disinfection of the unit and assuring that adequate disinfection is continuously provided, if chlorination is required.

**Response time for complaints by the property owner regarding operation of the system**

Business hours are 8a-4p M-F. Initial phone response will be within one business day. If a visit is necessary, it will be within 5 business days, if ordering/shipping parts are required allow for 10 business days from receipt of the complaint for repair to be completed.
